Objective

Aspiring Java Full Stack Developer with hands-on experience in web design and development, specializing in JavaScript, React, HTML, and CSS. Strong foundation in IT, coupled with practical exposure through internships, seeking to leverage skills in a dynamic tech environment.

Education

Diploma in Information Technology
Lukhdhirji Engineering College, Morbi
September 2022 - Present

- Currently in the final year with a CGPA of 8.10.

10th Grade
Completed in March 2022 with a percentile of 71.

Technical Skills

- **Languages**: HTML, CSS, JavaScript, React.js
- **Tools**: Adobe XD, Figma
- **Frameworks**: React.js, Bootstrap

Professional Experience

Web Designer (Intern)
Brany Beam - June 27, 2024 - August 7, 2024

- Designed and developed website components using JavaScript, ensuring responsive and user-friendly layouts.
- Collaborated with team members to enhance website UI/UX.

Intern
Codelock Solution

- Contributed to client projects by designing responsive web pages and refining UI components.

Projects

1. **Rock-Paper-Scissors Game**

   - A JavaScript-based interactive game for college, simulating the classic rock-paper-scissors game mechanics.

2. **Amazon Clone**

   - Developed a replica of Amazon's website using HTML and CSS, demonstrating understanding of layouts, styling, and responsiveness.

3. **Food Table Booking Website**

   - Built using HTML, CSS, JavaScript, and React.js, enabling users to reserve tables at restaurants. Implemented dynamic booking features and interactive UI components.

Interests

- **Sports**: Cricket, Volleyball
- **Professional Interests**: Java Full Stack Development, UI/UX Design
